

# Zombie Attack (Objective - survive and get back home safely)

## Introduction

It was a hot Saturday evening in the summer when you and your friend went to the biggest night club in the city... You told your parents you would be back before midnight...

↳ zombie attack in the club, complete chaos, pitch black...

Look for your friend in the crowd?

Yes

|

Friend seems very drunk, so you carry him on your back. You think you know where the exit is...

Hide, or go to exit?

/

Hide

|

\

Head to exit

|

Friend gets killed by a zombie, you survive.

No

\

On your own...

Think you know where the exit is... Hide first, or head straight to exit?

/

Hide

/

Run to the nearest table and hide under. Security guard under table thinks you are a zombie and

\

Head to the exit

|

On your way to the exit, a zombie attacked you from behind.

Run to the nearest table and hide under. Scared security guard under table thanks you two are zombies and shoots your drunk friend first.

Runaway  
↳ Attacked by zombie.

Talk to the security guard

He doesn't shoot you and decides to cooperate with you. Tells you that you need his keys to unlock the door and escape.

Trust him and stay with him?

Yes

Make a run to the exit

Run to a different hidden spot

In the middle of the club.

Continue to exit

Exit is locked! There are zombies running toward you! On your left side is a group of people and on your right is a staircase to the upper floor. Which do you pick?

shoots you.

Walk into the bathroom near you and enter an empty cubicle.

You thought you were safe, but a zombie crawls in from an adjacent cubicle and attacks you.

People

They turned out to be infected by zombies... They start attacking you...

staircase

down stairs

parking lot. There seem to be no zombies here, and there is an exit to the street! You have survived...

upstairs

only closed stores... You can hide, but if you want to be home by midnight, you must get out. Head down to the club, or to the basement?

Bathroom

1  
Made it! The  
guard unlocks  
the door and  
you escape.

2  
A zombie  
bites the guard.  
He tries to shoot  
the zombie but  
misses and shoots  
you.
